# Chile, The Place to Build Your Future

When it comes to  
foreign investment  
and global business,  
**we are leaders in  
Latin America**

## An excellent opportunity

**The International Investment Forum 2019** is a multi-sector Summit: a unique opportunity to get a comprehensive view of Chile's investment environment in just 3 days. You will learn first-hand about the country's new investment opportunities, economic strategy and policies.

We invite you to be part of this event with other senior executives, Chilean economic authorities and public sector representatives, local entrepreneurs and relevant investment counterparts.

Get access to key information to facilitate your decision to invest in Chile and to set up your company's next project in one of Latin America's leading destinations for the development of investment projects.

Join us in the following activities:

- An International Seminar covering business perspectives from the private and public sector
- Sector-specific workshops: Market intelligence and information about opportunities from local authorities and key private sector counterparts.
- Networking experiences: matchmaking sessions and B2B meetings.

***Apply now and let's make your next project happen!***
